DIRECTIONS FOR USE:

DONNING THE JUXTA-FIT™ GLOVE:

STEP 1. Once your compression garment is in it's proper position and secured, slide the Juxta-Fit™ Glove over the hand.

STEP 2. Ensure the cuff portion is pulled over the wrist section of the compression garment.

STEP 3. Fasten the wrist band on the glove. It should be snugly attached with very light compression.

NOTE: *It is important not to over tighten the glove wrist band so that fluid can freely move up and away from the hand.*

STEP 1

STEP 2

STEP 3

REMOVING THE JUXTA-FIT™ GLOVE:

STEP 1. To remove the glove, first detach the wrist band and fold it back onto its self.

STEP 2. Working with one finger at a time, slowly work them out of the glove by pulling on the edge of each finger. Continue until the glove easily slides off the hand.

Note: *The Juxta-Fit™ Glove should never hurt. It should feel firm but comfortable. If pressure increases or decreases noticeably during wear, loosen or tighten the bands accordingly.*

If you are experiencing any pain, immediately remove the Juxta-Fit™ Glove and consult your physician.

CARE INSTRUCTIONS:

HAND WASH*

DRIP DRY OR FLAT DRY*

DO NOT BLEACH

DO NOT IRON

DO NOT DRY CLEAN
