# DIRECTIONS FOR USE:

**DONNING THE COMFORT COMPRESSION ANKLET™:**

**OPTION 1:** Slide the Comfort Compression Anklet™ onto the foot and ensure that it is pulled high enough above the ankle bone so that it will overlap with the CircAid® legging.

**OPTION 2:** If using a leg liner, apply the liner first. Pull the top part of the Comfort Compression Anklet™ over the bottom part of the liner. Ensure there are no wrinkles in the liner where it is tucked into the anklet.

**OPTION 3:** If irritation to the anklet's cuffed edge is a concern, pull the top edge of the anklet over the bottom part of the legging after the legging has been donned.

***REMEMBER:** The Comfort Compression Anklet™ should never hurt. It should feel firm but comfortable. The Comfort Compression Anklet™ may be worn day and night, but removal is recommended if experiencing discomfort when lying down.*

**IF EXPERIENCING ANY PAIN, IMMEDIATELY REMOVE THE ANKLET AND CONSULT YOUR PHYSICIAN.**

**REMOVING THE COMFORT COMPRESSION ANKLET™:**
Slide the Comfort Compression Anklet™ off the foot.

# CARE INSTRUCTIONS:

MACHINE WASH WARM

DO NOT IRON

TUMBLE DRY LOW

DO NOT BLEACH

*The Comfort Compression Anklet™ can be machine washed with mild detergent using a gentle cycle and machine dried on permanent press or a low heat setting. To extend the life of the Comfort Compression Anklet™ hand wash and drip or flat dry.
